

# Student support

We believe that all students should have the opportunity to experience the world, so we do everything we can to make our tours accessible to all families. As you're inviting students to join your tour, make them aware of these valuable resources that can help them afford the trip:

## Monthly payment plans

We offer several different options for spreading out the tour fee into smaller monthly payments, and installments can be automatically deducted from a checking account. Most families utilize a monthly payment plan as a simple and affordable way to make the trip a reality for their student. Encourage your students to register early to take advantage of low payments!

## Fundraising pages

Our Gift of Education platform puts students in the driver's seat of fundraising for their trip. Easy-to-use letters and social sharing tools help students get donations from family and friends—and 100% of the money raised goes directly toward their trip.
